**Questions and Answers for W911KB-04-R-0018
White Alice Tram and Debris Removal**

- 1. Are the contractors to include the Resume Form at the end of Section L with the personnel resumes that will be presented under Tab D (Key Personnel) or is this form to be used in place of resumes?** In Section L, Tab D: Key Personnel, it states that resumes shall (i.e. must) be submitted. It does not state that the form at the end of the section must be used. It is there to provide a guideline, or minimum, as to what needs to be included in said resume. Therefore, resumes may be supplied in lieu of the Resume Form at the end of Section L, provided the resumes address all of the items on the Resume Form.
- 2. Is the “Project Experience Form” to be provided under Tab E instead of, or in addition to the project write-ups?** In Section L, Tab E: Experience, it states that you are to use the Project Experience Form at the end of Section L. Therefore, it must be submitted. The form would be in addition to any other project write-ups.
- 3. Correction to Section L, Tab F:** It says to use the “Project Experience Form” where it should say to use the “Past Performance Survey”.
- 4. All Questions pursuant to subject RFP must be in writing.**
